COOK'S CHINESE CINNAMON VINES
ARE SOLD by a great number of the largest and most prosperous Seedsmen, Florists, etc., in the United States, Canada and Foreign Countries. TRADE PRICE LIST OF
COOK'S CHINESE CINNAMON VINES
"DIOSCOREA BATATAS"—HEADQUARTERS STOCK
EVERY SEEDSMAN, Florist, Nurserymen, etc., should Catalog my Cinnamon Vines. They are too good to miss. Always in big demand, and give a splendid profit. You will sell more and more every year you offer them. Give them good display. It will pay—and pay big. My very first order this year was for 50,000 Tubers—from a Firm who sold 15,000 last season. They will use a full page, also special circulars hereafter.

Good Reasons For Selling Cook's Cinnamon Vines
CINNAMON VINES are extra big sellers—and pay well. They are sure to grow—sure to please and make friends. The Tubers are nice and clean to handle, never rot or dry up, are light to mail, require no packing, and you can sell and deliver them by mail, express, or over your counter from January to July.

Cook's Cinnamon Vines For Big Advertisers
I USUALLY have a large quantity of Tubers smaller than listed or "off" in looks or otherwise (not up to standard for my high class trade—but really better than some growers send out). These are just the thing to use in a Collection of Seeds or Plants—or for ads. in Papers, etc. Three or five (or even one or two) will aid wonderfully in making sales—or bring a flood of orders from Papers. They are strong stock, excellent vitality and sure to please. If you can use 5,000 to 100,000 or over, write for low prices—stating quantity wanted. Not less than 5,000 sold.

FOR FURTHER PARTICULARS, Copy for Catalog, Testimonials, Retail Prices, etc., see next page. Copy it in full, curtail or change to suit. Offer one Tuber for 10 cents if you choose, (many do). If you request it I will mail you a magazine containing an extended article (by A. T. Cook) on these interesting and unique Vines. No catalog should omit the most beautiful, most popular, and by far the most fragrant of all climbers. Yours for Big Business, Address.
